Dear Mr. Culberson:

On December 6, 2011 you submitted a letter requesting more information from the Hal Rogers for Congress Committee relating to the July Quarterly Report (04/01/2011 - 06/30/2011). On Monday, December 12, the Committee contacted you by telephone for clarification and was informed that an internal error was made within the FEC and no further action was needed on the matter of contributions from affiliated committees. The Committee confirmed that Alpha Natural Resources PAC and Fluor PAC are, in fact, not affiliated and no further action is required on this matter.

In relation to the in-kind contribution received from Frank H. Ikerd, III on June 13, 2011, the Committee has noted that it cannot accept an in-kind contribution designated to a future election and, therefore, has refunded \$2,500 to Mr. Ikerd. A copy of the check is enclosed and this disbursement will be reported on the 2011 year end report to be filed by January 31, 2012.

If you have further questions, please contact the Hal Rogers for Congress Committee at 575 Clifty Street, Somerset, Kentucky 42503.

Sincerely,

Michael Higdon
Assistant Treasurer
Hal Rogers for Congress
